Kieronna- 23rd

Classroom News

-Math: Solve word problems within 10, counting to 120, adding/subtracting fluently within 10, measurement, graphing, tally marks, time, and place value (tens and ones).

-Reading: Story retell (character, setting, beginning, middle, end, problem, solution), using illustrations to retell a story, central message, and fiction vs non-fiction,

-ELA/Writing: Capitalization, punctuation, blending/segmenting, nouns, adjectives, and narrative writing (personal story with a beginning, middle, and end using transition words).

-Social Studies: Identify city, state, county, country, continents, and oceans, goods/services, producers/consumers, and scarcity.

-Science: Seasons, weather, magnets, and scarcity.

-Every Friday check your child's yellow folder for weekly classwork. You will be able to see how your child is performing academically.

-Please have your child read every night for 20-30 minutes. Reading is instrumental in learning.

-Please make sure library books and classroom books are sent back to school daily. They should not be left at home.

-Your child should be able to read 75 Sight Words by October 11th.

-Your child's reading level should be a "D" by October 11th.
